**Organic Flavour Company  
Turbinenstraat 12  
3903 LM Veenendaal  
THE NETHERLANDS**

We are pleased to inform you that Bio Suisse (the Association of Swiss Organic Agriculture Organizations), upon checking your holding's records and documents, has decided the following

**Approved until 30.09.2009:**

Storage of raw materials conforming to Bio Suisse standards  
Trade of raw materials conforming to Bio Suisse standards

This decision is based on documentation supplied by your inspection/certification body: Control Union / CU Certifications, BS Zwolle

**approved  
by BIO SUISSE**

You have permission to use the "approved by BIO SUISSE" logo for your holding and on your products (on the webpage, on containers, delivery notes, invoices etc.). You can download this logo from the Bio Suisse webpage as a .jpg image. Products approved by Bio Suisse as "in-conversion" must in addition clearly be indicated as "in-conversion product".

The approval is only valid for as long as the holding has an inspection contract with the named inspection/certification body.

The written approval remains the property of Bio Suisse. In case of a violation of the Bio Suisse Standards, Bio Suisse reserves the right to demand it be returned at any time.

The approval confirms compliance with Bio Suisse Standards. It does not confer a right to use the Bio Suisse Bud label on products and it is not a guarantee for the marketing of the products in Switzerland. For example Bio Suisse is obliged to restrict importation in case of sufficient supply inside Switzerland.
